Sir,

Subject:- Sanction of Cycle allowance to the peon attached to the Accounts Section.

I write to state that one of the peons of this office attached to the Accounts Section has been entrusted with the Departmental Treasury errands and is required to go to the Reserve Bank and the State Huzur Treasury every day. As the Reserve Bank is situated about two miles away from this office, and as the peon has not been provided with a cycle to attend to the Treasury and Bank work, much of the time is being wasted in covering the distance to and from the Bank and he will be engaged the entire day for Treasury work only, including the period of waiting in the queueat the Bank for encashment. Further, great risk is involved for the heavy cash that the peon carries by walking the distance up and down, since the peon will be exposed to the risk of attack or way-laying over a longer period of time, as compared to the time taken by the orderly to cycle the distance. The strain and risk involved have reacted on the servants who try to avoid this duty and responsibility, and can be entrusted to reliable and trustworthy men alone. The present peon who is entrusted with this work for the past 3 years is found to be reliable and useful.

as this work is of an arduous nature and involves heavy responsibility

As much time can be saved and safety increased in the transportation of Government money by providing a Cycle, and also since the peon is required to go to the Reserve Bank and the State Huzur Treasuyy every day, the necessity for an additional and an exclusive Cycle Orderly is keenly felt. Hence it is considered quite necessary to purchase one more Cycle for the use of the peon attached to the Accounts Section of this office.

I, therefore, request you kindly to obtain orders of Government sanctioning a Cycle Allowance of Rs.2/- per month to the Peon attached to the Accounts Section of this office, and communicate the same early.

Yours faithfully,

S. Muninanjappa

(S. Muninanjappa),
Director.
